We would like to offer a warm welcome to Beaumont Park Ladies to Grange Park this afternoon along with our match day referee Mark Hickman. Both teams will be looking for the win this afternoon after a mixed start to the season. The ladies return to action today against our Leicester-based opponents. Last time out saw the players win 6-0 away at Hilton Harriers in the Derbyshire County Cup. Our reward for this victory is a tough away fixture versus high-flying Chesterfield Ladies from the Premier Division. Last time out in the league saw the ladies on the wrong end of a 2-0 scoreline against West Bridgford Colts. Our performances over the past few weeks have been mixed but throughout all we have been both competitive and entertaining, finding the net on many occasions. Our main issue has been consistency so today we look to add this to our game and in doing so add three more points to the board.

The under 18's have continued to go from strength to strength with seven victories and one draw so far this season, these results see the girls sit joint top of the league with today's opponents Priory Celtic. Good luck girls!

Next week sees the ladies at home again, this time in the League Plate where we will face Sleaford Town from the East Midlands Central division. Please come along and support the ladies. 2pm kick off.

Under 18s News from Craig Barker

Despite postponements our fine form has continued on with our unbeaten run in tact with four wins and one draw from our last five games. I have said before that it's easy to forget that we are newly formed looking at results but although I have extremely talented players it's the hard work, teamwork and dedication to the plan from the group that has propelled us on.

The weather has brought some disruption to the schedule over the last few weeks. This has coincided with difficulties in finding opposition available to play meaning things have been a little stop start of late.

A very special mention to our team sponsor Ecobat Resources who have provided funds to allow the team to be kitted out in full tracksuits, very timely with the current cold conditions.

Today's Opponents

Beaumont Park Women

Leicestershire based Beaumont Park Women were formed in 2017 starting in the Leicestershire Senior League Division 1. They had two seasons finding their feet then in 2019 they won the league and league cup double going undefeated and won promotion to the East Midlands Division 1. After two Covid interrupted seasons the team folded but in 2022 they reformed back in the Leicestershire Senior League getting promoted at the first time of asking. Now back in the East Midlands Division 1 Central Division with a young team they are hoping to solidify their position over the next two seasons then try to push on for promotion to the East Midlands Premier Division

In November the Ladies travelled to Holme Pierrepont to take on West Bridgford Colts. Unfortunately the Ladies came away empty handed as they went down to a 2-0 defeat. Still, we got these fabulous pictures from **MM Photography**.
